Call for papers for the International Macro Workshop

The Research Institute for Development, Growth and Economics (RIDGE), is pleased to announce the call for papers for the Workshop on International Macro, an activity of the RIDGE December Forum.

As in previous years, we are looking for papers focusing on issues related to capital flows, monetary and macroprudential policies, exchange rates, international reserve accumulation, sovereign debt, and international spillovers. Papers in other topics of international macroeconomics and macroeconomics are also welcome.

The format will be *in person*.

The Workshop will be held within the framework of the 2025 RIDGE December Forum along the following workshops:

Environmental Economics - **December 8-9, 2025**

Towards Sustainable Growth: From micro to macro development - **December 9-10, 2025**

International Trade - **December 10-11, 2025**

Financial Stability - **December 11-12, 2025**

Growth and Development in Macroeconomics - **December 11-12, 2025**

The RIDGE December Forum aims to favor the spread of high-quality research in economics by bringing together top researchers working on the frontier of knowledge with local and regional researchers and policymakers. Participants to this workshop are welcome to attend the other workshops.
