Call for papers on Environmental Economics

The Research Institute for Development, Growth and Economics (RIDGE) is pleased to announce a call for papers for the VII Workshop on Environmental Economics to be held in person in Montevideo, Uruguay on December 8-9, 2025.

We accept contributions relevant to understanding the most important environmental policy challenges in Latin America and the Caribbean (LAC). These include studies of specific LAC countries, as well as comparative institutional analyses. Papers addressing issues from other regions deemed relevant to LAC are also welcome.

Both theoretical and empirical contributions are welcome.

The workshop will take place within the framework of the 2025 RIDGE December Forum along with the following workshops:

Towards Sustainable Growth: From micro to macro development - **December 9-10, 2025**

International Macro - **December 10-11, 2025**

International Trade - **December 10-11, 2025**

Financial Stability - **December 11-12, 2025**

Growth and Development in Macroeconomics - **December 11-12, 2025**

The RIDGE December Forum aims to favor the spread of high-quality research in economics by bringing together prestigious researchers working on the frontier of knowledge to local and regional researchers and policymakers.

Participants to this workshop are welcome to attend the other workshops.
